

Let's stay centered and positive as a community of protectors representing Christ the King.

Print the slide you prefer and post it to your front door or a front window of your house. The first slides are full color, (slide 2 is School, Slide 3 is Church) and the second slides will act as a coloring page (slide 4 is School, slide 5 is Church).

Take a picture and post it to social media with the tag #CKSkeepsthefaith
